Library Experience

- **Digital Initiatives Librarian**

Xavier University, Cincinnati, OH, 08/2015–Present

Responsible for creating and managing a new makerspace, maintaining the university's institutional repository, digital humanities initiatives across disciplines, and information literacy instruction.

- Liaison to Biology, Chemistry, Computer Science, Mathematics, and Physics.

- **Community Technology Center Manager**

The Lane Libraries, Hamilton, OH, 03/2013–08/2015

Designed and managed the Technology Center, a state of the art branch in historic Hamilton, Ohio. Responsible for community outreach, curriculum development, and customer service.

- Implemented the first public library 3D printing program in the region (6 months before any other).
- Developed scope of branch services, hired and trained staff, and created an extensive curriculum of technology classes and workshops facilitated throughout the community.
- Cultivated relationships with a wide variety of community organizations thus increasing the quality and audience of technology-focused library resources among patrons of all ages and comfort levels.

- **TechCenter Manager**

Public Library of Cincinnati and Hamilton County, Cincinnati, OH, 01/2009–12/2012

Managed the TechCenter which fulfills 250,000 patron computer reservations a year in one of the busiest libraries in the country.

- Quadrupled the number of computer classes and workshops offered during the first year of his tenure (to over 20 a month) thus providing training for 1,350 patrons a year.
- Envisioned, proposed, budgeted, and implemented a new computer training room for customer and staff use.
- Contributed to the technical training of staff system-wide.
- Delivered outstanding customer service in a fast-paced urban library environment.

Teaching Experience

- **Adult Basic Literacy Education Instructor (ABLE), English**

Butler Tech, Hamilton, OH, 08/2014–08/2015

- **Adjunct Instructor, Business and IT**
